Traveling north or south on I-75:

Exit at **Hopple Street** (exit #3) and follow signs to “University of Cincinnati”. Continue up the hill, cross Clifton Avenue and the street becomes Martin Luther King Drive. Travel 1.9 miles. Once passed Clifton Ave, the main campus to the University of Cincinnati will be on your right. Continue on ML King Dr and pass the EPA building (on your left). **Turn left onto Eden Ave** (Vontz Molecular Center is your left). **Drive (north) on Eden Ave** past the first traffic light and turn left into the Eden Garage entrance. Park in Eden Garage and walk to the Kettering Laboratory.

Traveling south on I-71:

Exit at Martin Luther King Dr (exit #3). Travel about a mile. Once past University Hospital, **turn right onto Eden Avenue** (The new Neuroscience building is on your right and the Vontz Molecular Center is at the corner). **Drive (north) on Eden Ave** past the first traffic light and turn left into the Eden Garage entrance. Park in Eden Garage and walk to the Kettering Laboratory.

Traveling from the Airport:

Take I-275 east to I-75 north. Cross the Ohio River and continue north on I-75. Follow directions above for traveling on I-75.

Traveling north on I-471 from Kentucky:

After crossing the Ohio River, continue straight and follow signs for I-71 north. Travel about 1 mile north on I-71, then take the **Martin Luther King exit**. From the exit ramp, turn right (west) onto ML King Drive and travel about 1 mile. After passing University Hospital, **turn right onto Eden Avenue** (The new Neuroscience building is on your right and the Vontz Molecular Center is at the corner). **Drive (north) on Eden Ave** past the first traffic light and turn left into the Eden Garage entrance. Park in Eden Garage and walk to the Kettering Laboratory.

Traveling east on I-74:

Travel east on I-74 to I-75 south (towards Cincinnati). Stay in the right lane and take the first exit (Hopple Street, exit #3). At the traffic light, turn left and cross over I-75. Continue straight up the hill about 1.5 miles. Once passed Clifton Ave, the main campus to the University of Cincinnati will be on your right. Continue on ML King Dr and pass the EPA building (on your left). **Turn left onto Eden Ave** (Vontz Molecular Center is your left). **Drive (north) on Eden Ave** past the first traffic light and turn left into the Eden Garage entrance. Park in Eden Garage and walk to the Kettering Laboratory.
